FROM (NAME & LOCATION) W. G. Krummrich Plant CONFIDENTIAL

DATE September 13, 1967

SUBJECT CEA 1800 - Aroclor Expansion (WGK)

REFERENCE

TO : Mr. H. C. Carder
General Offices

cc Mr. P. E. Heisler
Mr. R. S. Yates - RYATE

Attached is the proposed cost standard for the expanded Aroclor Plant when operating at 80% of design capacity. Assuming the product split to be that forecasted by sales for 1969 the total material cost would be $5.066/cwt. resulting in a total bulk product cost of $6.750/cwt.
