SUBJECT

NIOSH LETTER CONCERNING THE DEVELOPMENT OF CRITERIA DOCUMENT

- REFERENCE:
- (1) Your letter dated 5/4/77.
 - (2) "Firestone-on-the-Schylkill News" October, 1974 pg. 1.
 - (3) Letter to TCW from RAP dated 1/31/75.
 - (4) Letter to TCW from RSB dated 5/7/75.
 - (5) Letter from Safety & Training Plastics Co., dated 8/11/75.
 - (6) Chronology Leading to Dr. B. Infante's Fetal Wastage Study.

I have discussed your letter (reference 1) with Dr. Brookman. He agrees that we have nothing to contribute. He suggests that you discuss the NIOSH study with Dr. Ballou, who has first hand experience with the Pottstown study.

Reference 2 to 5 (attached) are pertinent to the subject, names and dates of NIOSH scientists who visited Pottstown. Reference 6 (attached) is a summary of Chronology leading up to the publication of data collected at Pottstown by NIOSH.
