so, be specific in your answer and state as to each such asbestos product:

(a) The trade name, general name and/or other identification of each asbestos product, raw or finished;

(b) The dates during which you mined, manufactured, supplied, distributed, and/or otherwise placed in the stream of commerce each such asbestos product;

(c) The intended use of each such asbestos product;

(d) Furnish a complete description of each such asbestos product including the type of asbestos contained therein and the percentage of asbestos contained in said product;

(e) Describe the physical appearance including color of each such product specifying whether the said product was/is sold in a solid, loose, powdered or other form;

(f) Identify the location of each plant or facility which produces each of the aforesaid asbestos products;

ANSWER TO INTERROGATORY NO. 6: Abex objects to this interrogatory on the grounds that it is overly broad and burdensome. Abex further objects to the term "asbestos products." Abex never manufactured "asbestos products," but rather automotive friction products, some of which contained chrysotile asbestos as one of their components. Subject to and without waiving these objections, Abex states as follows:

(a) Abex manufactured and sold asbestos-containing automotive friction products under the following trade names:
