PAINT MEANS CONSERVATION!

It costs more not to paint than to paint. Rust and rot go on until you check them. Paint and varnish NOW, or you'll PAY far more later for repairs and replacements. DON'T PUT IT OFF, PUT IT ON.

Six Reasons Why Monarch 100% Pure Paint is Best.

1—Composed of pure carbonate of lead, zinc, oxide and linseed oil—100% pure.

2—Weighs 18 pounds to gallon, therefore, it covers more surface to each gallon.

3—Being 100% pure, it lasts longer.

4—It is more economical.

5—It is especially adapted to this climate.

6—Buying in carload lots you get the advantage of our large turnover.

MONARCH 100% PURE PAINT AND MARTIN'S 100% PURE VARNISHES ARE FORMULATED FOR THE BENEFIT OF THOSE WHO DESIRE TO BUY AND USE GOOD MATERIALS. KNOW WHAT YOU BUY.
