Huge Sturgeon

LONDON (AP)—Moscow radio reports Astrakhan fishermen near the mouth of the Volga landed a white sturgeon weighing nearly a half ton and yielding almost 150 pounds of caviar.

Motorcycle patrolman Glen Barton of the Woodland Police Department said 16-year-old John Lee Brewer of Davis failed to stop after running a stop sign at high speed. He was treated at Yolo County Hospital and released.

Brewer did not have a license, police said.

Pulley Sets Fire

RYER ISLAND — A slipping belt on a pulley set grain afire in a Ryer Island elevator yesterday. The smoldering blaze was put out by local firemen, who reported negligible damage.
