

POULTRY AND EGG INSTITUTE OF AMERICA

September 10, 1971

Dr. R. E. Keller
Monsanto Company
800 N. Lindbergh Boulevard
St. Louis, Missouri 63166

Dear Dr. Keller:

We are very pleased that you will participate in the seminar on PCB Analysis which we will hold at the Institute's Research Council meeting October 6th.

The program is enclosed with a reply card. We will be very glad to make a reservation for you at the Lake Shore Club if you will indicate your arrival date.

Look forward to having you with us.

Sincerely,

Barde

A. Barde Rogers, Director
