FROM (NAME & LOCATION) Dept. of Medicine & Environmental Health - P.E. Berteau, A2SC

DATE: June 1, 1978

SUBJECT: Non-human primate study with a PCB conducted at

REFERENCE: Litton Bionetics

TO: J. [redacted] Weber, B2SM

CC: F.A. Provorny, B2SC
R.A. Stohr, B2SC
F.G. Wohlschlaeger, B2SC
D. Wood, B2SD

X E T Mellon
W C Hanna

The attached letter to Dr. Martin of Litton Bionetics provides a cost estimate for continuing the above mentioned study. The amount is somewhat less than that discussed at our meeting on May 26, 1978.

I would appreciate receiving your written approval to me authorizing a further expenditure, not to exceed $50,000 for continuing the study beyond May 31, 1978, under the conditions outlined in the letter.

Peter E. Berteau
