Subject: EPA -- Iowa Anti-degradation issue

Hi Tate,

Just got off the phone with Stephanie Groen with Gov. Branstad -- she is interested in talking with you all about the Iowa anti-degradation issue that the Governor and Lt. Governor discussed with the Administrator in late February. I believe your COS may have taken the issue for action, but wanted to connect you with Stephanie. I believe the Governor and Lt. Governor might be speaking with the Administrator via phone on Friday.

Sincerely,
Doug
