han any other community Eastbay. And they also that a small police force rigid enforcement, and Emeryville dependent upon ling cities for police pro-

olution to the situation the orce will be increased, the iry was promised, and an e passed at next Tuesday's of the council providing access to places where ing or gambling might be on. After receiving these the grand jury continued stigation for 30 days.

tion of the city trustees to iitions declared to exist at doors of their homes and business occupied most of ons, and Warren presented n support of his contention legging and gambling has such proportions in le as to become a menace nole county.

EE NOT INFORMED.

E. Ryan, city trustee, told l jury that he lived at 5913 reet, but never knew until informed him that 5915 street had been a boot- lace. Five other places on reet had also been raided egging, and were named n.

. Doyle, another member ard of trustees, was asked n if he knew that every Watts street was a place otlegging was carried on. oyle replied in the nega- as asked if he could name nouse on the street which a bootlegging dive, and nsiderable thought ex- He belief that there was nouse, but could not re- the number.

W. H. Christie and Alfred te, members of the board es, were shown investiga- orts which revealed that of places on Park avenue, e street from Emeryville where council meetings were conducted as lottery id had been raided re- by county authorities.

the reports charged that 2, only three days before jury session, Louie's Cafe Park avenue had been as a gambling and lottery id more than 200 men ent playing lottery games, uck and slot machines, inspectors were present. nset Cafe, 1555 Park ave- lar conditions existed and were present, and at 1476 nue there were also open and playing of the Chi- ry games.

INANCE PREPARED.

dinance prepared by War- which Mayor Christie to introduce at the next of the council provides soft drink places, restau- d places where games of are conducted must have pening from the street di- to the room where such e conducted, and this door nlocked and accessible to all times. The ordinance

Board of Trustees of le do ordain as follows: n (1). It is, and shall be for any person, firm or other building there be on each floor a passage way or passage months or by both such fine and imprisonment."
