Many Desire Second Bath

Recent survey of homeowners shows only one in 10 content with a single room home, says the Building Fixture Manufacturers Association. If of the owners insist need two bathrooms or more, while most of the

others would settle for a one and a half bath minimum.

Contrasted with this, one house in 50 built last year had no bathroom.

Three of every five homeowners reported their bathrooms were too small.

any suggestions. — D. W. A. Refreshing is the only solution I can recommend. The rubber rings leave permanent stains due to the chemicals in the rubber sliders.
