Dear Sydney,

Ed Newberry said that you were Administrator Pruitt's scheduler and I am reaching out to you to schedule a meeting with our client BIO.

Last week, the Biotechnology Innovation Organization (BIO), sent you an invitation requesting a meeting sometime in the afternoon of April 4, 2017. Members of their Board of Directors would appreciate the opportunity to discuss ways in which the industry can help EPA and President Trump achieve lower drug cost while encouraging the continued growth and success of the biotechnology industry.

Specifically, the members of the Board would like to discuss BIO's commitment to assist in lowering healthcare costs, enhance the national response to biologic threats and pandemics, and improve the FDA regulatory system to speed the approval of safe and effective medicines and other biotechnology products. I will also attend the meeting.

I've attached a formal invitation and would greatly appreciate your consideration. Please let us know if you need further information or have any questions.

Many thanks.
