Hello [REDACTED].

Thank you for the notification. Given the breach is so small, and you have taken measures to rectify the situation, we will not be issuing a CAR for nonconformance.

Hi [REDACTED]

Do you want me to do a CAR acknowledging receipt? I assume we don't score for such a marginal breach?

Also, since [REDACTED] listed their notifications on the form, I had a look what I'm missing, and it's part Bs for the following:

06/01/2023 CO emissions

01/04/2023: process gas release

If you don't have them either, is it ok to ask [REDACTED] to send them (again)?

Kind Regards
[REDACTED]

Subject: Part A & Part B - daily SS breach

Hi [REDACTED]

Please see attached Part A & Part B form for daily SS breach from earlier this week.

This was a very minor breach 151.6 mg/l (limit 150 mg/l) and brought to my attention today. This exceedance was due to the required cleaning frequency of the sampling pipework being exceeded.
We will ensure additional training is provided to ensure the required maintenance (cleaning) can progress every 2 weeks.

Kind regards,

[REDACTED]
