Crystal:

Again sincere apologies for sending this to Crystal Edwards and not directly to you!
And I know better since Anna Wildeman let me know a few weeks ago to work with you to schedule meetings.

Please see below for the original email meeting request. I've cc'd Guy Beeman from Marathon Petroleum as well.

Thank you in advance for your assistance.

Regards,
Margaret

Subject: Meeting Request with Assistant Administrator Ross

Ms. Campbell & Ms. Edwards:

Your colleagues in the Office of Air and Radiation suggested I reach out to you both in regard to scheduling a meeting in July with Assistant Administrator Ross. This meeting would be in follow up to a letter recently sent to the Office of Water by API and AFPM regarding EPA's on-going study of effluent limitation guidelines for petroleum refining. (See attached).

Our client, Marathon Petroleum, would like to meet with Assistant Administrator Ross to discuss the letter. Copied on this request is Guy Beeman, Manager, Federal Affairs, Marathon Petroleum.

Please let us know what additional information and details you may need in regard to this request. You may reach me at: Redacted

Thank you in advance for your assistance.

Regards,
Margaret
