not received notice from the Consumer Product Safety Commission or similar Government Authority of a mandatory recall of Products in the past five (5) years or received notice from any original equipment manufacturer of any product recall of such manufacturer's products that is directly attributable to the Products during the past five (5) years;

(c) To Seller's Knowledge, other than with respect to asbestos-related Actions, neither Seller nor the Canadian Subsidiary has had any material lawsuits filed against it in respect of death, personal injury or property damage arising from the purchase, use, ownership, possession, failure to warn or resale of or with respect to any Products in the past five (5) years.

Section 3.20 Whitman Agreements. The Whitman Stock Purchase Agreement has not been amended other than by a First Amendment dated as of August 29, 1988, by a Second Amendment executed on September 23, 1991 and, to the extent applicable, by the letter dated November 19, 1991, from Barbara B. Guibord to Martin M. McNerney (relating to a protocol for asserting insurance claims). The $5 million "basket" provided in Section 12(f) of the Whitman Stock Purchase Agreement has been fully exhausted. As of October 1, 1994, to Seller's Knowledge, Seller has incurred not less than $13.4 million (net of insurance recovered) in expenses with respect to matters that Seller believes may be applied towards the $15 million "basket"
