BRINK MIST ELIMINATOR
LITERATURE

Dear Mr. Kiddler:

At the request of Mr. Joe Darby of our plasticizer group, we are furnishing you with the following information on Brink Mist Eliminators. We manufacture and market a line of Brink Mist Eliminators, filters and coalescers which are engineered for a customer's specific application.

I have enclosed our general slaes Bulletin BSA-1 along with some selected literature describing various applications of our Brink equipment. I have also included several copies of our data sheet which outlines the detailed information we require to provide you with a proposal. We realize that some of the information requested may not be readily available, but we would appreciate as much data as possible in order to provide you with our best recommendation for your specific application.

We again thank you for your interest in our equipment. Please contact us when we can be of further service.

Very truly yours,

James H. Grunz
