worried about thinning hair?

When you put on a hat... do you look 10 years younger?

Youthful appearance is a must in the business world today. The young man whose hair is starting to thin is being warned that baldness may be approaching. When hair loss is due to local causes — Thomas can do a lot to help a man retain the hair he has. (When male pattern baldness, a major problem, sets in — forget it — you are over the hair hill.)

Your chances of avoiding baldness are enhanced by the new Thomas thermogenic treatment, given under the personal supervision of a Thomas trained specialist. His "know-how" is based on The Thomas' more than 50 years of experience in treating the local hair and scalp problems that many authorities consider causes of baldness.

Come in and find out if your hair problem is in the treatable category. Consultation without charge or obligation. To save time, phone for an appointment.

Guarantee: If you are not satisfied within 30 days, the money you have paid for treatment will be refunded on request. You are the sole judge.
