Marine Finishes "50 Mile Walk" In Record Time

An enlisted Marine, Cpl Ernest R. Brain grandson of Mr and Mrs R H Tash of 410 Spring avenue Morgan Hill, completed a 50 mile run and walk Thursday March 21 on a designated course at the Kodiak, Alaska Naval Station

The jaunt took him 11 hours and 51 minutes about three hours than Brain had hoped to make the walk

Brain started out at 6:55 o'clock in the morning and completed the 50 miles at 6:45 that evening He ran the first 10 miles and the last three hours were facing a snowstorm which slowed him down considerably

Brain was one of the three marines who join the Marathon race in the Kodiak Fourth of July celebration last year and has extended his tour in Kodiak in order to run again on Independence Day this year. He is an avid outdoorsman and hiker Brain is from Malibu

Two of his Marine companions, Cpl. James T Bennett and Pfc Frank H Tuttle did not make the grade in the March competition due to blisters
