Thank you for your memo of November 20th telling us that Mr. D. Verdiani of the Entraves Committee of the EEC had been approached by the OECD re possible legislation on PCB's.

I am attaching background information as follows :

1. PCB Task Force Report dated May 1972 (1 copy for you and 1 for Verdiani).

2. Sales information Bulletin n° 86 dated June 22, 1972 which comments on the Task Force Report.

3. The FDA Notice of proposed rule making in the Federal Register VOL 37 Number 54 - Saturday March 18th 1972 (as this is a bad xerox I've attached the press release made by the FDA which includes the Notice).

4. Monsanto's July 14th 1972 letter commenting on the Notice of proposed rule making (letter signed by Bill Papageorge.

5. Comments on FDA proposals in Food Chemical News :

   April 24th, 1972
   May 8th, 1972

6. The Product Group will attend the meeting with Mr. Verdiani if you so desire.

JN HAGGART

P.S. We're glad to hear that Mr. Verdiani is a personal friend of yours.
