CONFIRMATION

Your particular attention is called to Clause 11 on reverse side hereof.

The Contractor shall give all notices and comply with all laws, ordinances, rules, and regulations, bearing on the conduct of the work as drawn and specified. If the Contractor performs any work contrary to any such law, ordinance, rule or regulation, he shall bear all costs arising therefrom. In particular, but without limiting the scope of the foregoing, the Contractor shall, and shall cause any Subcontractor to, comply with the terms and provisions of the Occupational Safety and Health Act of 1970 and all applicable rules, regulations, orders and occupational safety and health standards promulgated under and issued pursuant to such Act in the discharge of its duties and obligations hereunder.

Weat. Const. 370-3
