My Client: A. P. Green Services, Inc. aka Bigelow-Liptak Corporation

Mr. Ben K. DuBose
Baron & Budd, P. C.
3102 Oak Lawn Avenue, Suite 1100
Dallas, Texas 75219

CM/RRR

Dear Counsel:

Enclosed are the Texas and Louisiana job cards for my client, A. P. Green Services, Inc. aka Bigelow-Liptak Corporation which you returned to me because of the right margin information being cut off.

We have clarified the information by either writing in the information or re-copying the job card. We were not able to clarify some of the job cards, because our copy is exactly like the copy we got from our client. We are in the process of contacting our client for more legible copies of those particular job cards and will supplement to the extent available.

If you have any questions or comments, please feel free to call me.

Yours very truly,

Martin L. Mayo
