Subject: Meeting Request - EPA Administrator

Hey Sydney and Millan

Attached is one of the completed meeting request forms for Administrator Pruitt that we discussed. The request is for CGI, a group that I represent here in Oklahoma. They would like to meet in DC.

CGI is currently one of the prime vendors to EPA and has been focused on EPA's information technology modernization. They would like to bring in the US President of CGI, who is from Oklahoma, the Federal CGI President, and the VP of CGI who was the CIO at EPA under President Bush.

Thank you so much for all your help and offer of assistance. It would be great if the folks from CGI could get some time with Scott in DC.

Please let me know if you need anything else from my end.

Scott
