200'/min.

16,800 #/hr of stock @ 200'/min on 55#
12,000 #/hr of " @ 200'/min on 39#

			36,000 lbs	42,000 lbs
55#	2 × 16800 =	33,600	63,500	70,000
39#	2 × 12,000 =	24,000	57,600	57,600
4 hrs		57,600	5,900	12,400

We have planned enough stk for approx 5 hrs running time @ 200'/min but run will have to be made in approx 75 min increments because of stock prep time.
