Dear Mr. Nelson:

With reference to our letter of October 12th, in which we requested an estimate of the sales of pig lead for 1967 for The Anaconda Company on which the Industry Development Fund subscriptions for 1967 would be based, can you now supply us with the final actual sales for 1966.

This will enable us to calculate the exact amount of your subscription to the Industry Development Organisation Funds and avoid making any adjustment in these subscriptions later in the year.

We would appreciate receiving this information as soon as possible.
