Subject: Re:SHS

Patsy, I'm sorry to have missed your call. I do confirm that Mark Fitzsimmons & I were able to speak with Richard to acknowledge his response and that his points had been forwarded to Jerry Rice; he was quite positive and would take these up with the QA/QC team which he would be convene in the next few days. I gave feedback to the Tech Committee and would be pleased to do so during the Oversight call.

Best regards,
Michael
