MRS. ELIZABETH DANMATT, R.N.
FILM DEPARTMENT
MEDICAL SECTION
BOX 451
CLINTON, IOWA

DU PONT 5-YEAR LEAD STUDY

Thank you for your letter regarding subjects who have left the Clinton Plant. The cards which you sent to Deepwater have been forwarded to me, so our list for the Clinton Plant is up to date. In the future when subjects leave your area, if you would send the cards directly to me, at Haskell Laboratory, it would save one step in processing information.
