disagree with OSHA, EPA, and the Consumer Safety Product Commission on those levels?

A I think you are mischaracterizing what I said. I agree with all of them.

They are being ultraconservative and ultraprotective, and that meets society's request, so they are being responsive to society's request, but it does not represent a level that we need to have in order to prevent disease.

Q Sir, could you tell me the last time that you came to court and testified for a plaintiff who had been injured in an asbestos-related case?

A I haven't, sir.

Q And, in fact, every time that you have come to court has been because you have been hired from the defendants; is that right?

A In regard to asbestos-related matters, that is correct, sir.

Q And you told us that you currently charge $400 per hour; is that correct?

A Maybe I should correct that. I did come and
