Compensation, et cetera. For your convenience, in my letter request I'll be more specific.

MR. KUNDLA: I don't think it is going to be a letter anymore, but when the truck pulls up with it, I'll take a look at it.

Q Are you aware of any warnings prior to 1973 on anything with regard to asbestos hazards?

A By Chrysler?

Q Yes.

A No.

Q You are limiting your answer to Chrysler. That's including Dodge, et cetera, Mopar, is that the interpretation you have to my question?

A Yes.

Q Do have any knowledge as to the suppliers of asbestos fiber to Chrysler for their manufacturing of asbestos brake linings?

A Well, I have that, and one of your next witnesses will know that because I don't remember all the names.

Q How did you obtain that information?

A From one of your next witnesses, Jim Knoll, I believe it was.

Q Any information you have obtained with regard to asbestos fiber or warnings on bags of
