Dear Ms. Coulter:

Per our conversation of February 18, 1986, please amend our Research Agreement to decrease the total budget by $378.00 to make the final total $200,707.00.

As stipulated previously, any amounts not expended should be directed to Dr. Lynn Willett's research program as specified in the Amendment to our Research Agreement dated July 1, 1985.

Very truly yours,

John H. Craddock, Ph.D.
Environmental Policy Staff
Product and Environmental Safety Director
