O. HUNT, JR., FDO, RED MILL

SAFETY PERSONNEL RESPONSIBILITIES

Attached is a revised listing of safety personnel assignments and regional responsibilities. It is desirable from a Division standpoint to have sites visited periodically by Du Pont safety personnel. As in the past, frequency of visits or telephone contacts will vary depending on force, nature of work, and CPM's need for consultation. The site visits should be recorded with the Division Safety Office.

CONSTRUCTION DIVISION

Ingo Zeise
Manager, Safety
