Is Christened

NEW YORK (UPI) Arlene Dahl's three-month-old son, first child of her fourth marriage, was christened Rounsevelle Andreas Schaum Friday by Dr. Norman Vincent Peale.

Richard J. Durrell, associate publisher of Life magazine, Anne Slater and Mr. and Mrs. Clifford Brokaus III stood as godparents for the boy, born Dec. 7.

In addition to Miss Dahl and her husband, Rounsevelle W. Schaum, family members present at the ceremony in Marble Collegiate Church included his parents, Mr. and Mrs. Clyde Schaum of Pasadena, Calif., and her children by previous marriages, Fernando Lamas' son, Lorenzo, and Oliman Christian R. Holmes III's daughter, Carole Christine.

Schaum is a television and film producer. Miss Dahl, well known as an actress, also is Sears, Roebuck's national beauty director, a vice president of the Kenyon & Eckhardt advertising agency and the author of several books on beauty.
