SUPERINTENDENT'S REPORT.

Prof. Davidson presented his regular monthly reports as to the finances and the attendance in the schools. The disbursements for the past month were shown to be $9,862.40, while the total receipts with the amount on hand at the first of April, amounted to $... 289.95, making an overdraft of $2,572.45.

The attendance for the past month was 2403, of which 1,206 boys and 1,142 girls in the grammar and high schools and 75 girls and 82 boys in the kindergartens. The attendance was rather lower than for several months previous, due to several causes, principal of which was the sickness. Many were also out on account of vaccination, while children of tourists who had helped to swell the attendance while here, were not enrolled.

TRAINING FOR CHILDREN.

A communication was received from the Concordia Turn Verein setting forth the desirability of establishing in the regular school course, a systematic and more efficient method of physical culture. The document was referred to the ways and means committee.

PRINCIPAL BRYANT RESIGNS.

The resignation of J. C. Bryant, principal of the Sherman Heights school, was received and accepted with the expressed regrets of the board. It will take effect at the end of the present school ...

ART TRAINING SCHOOL.

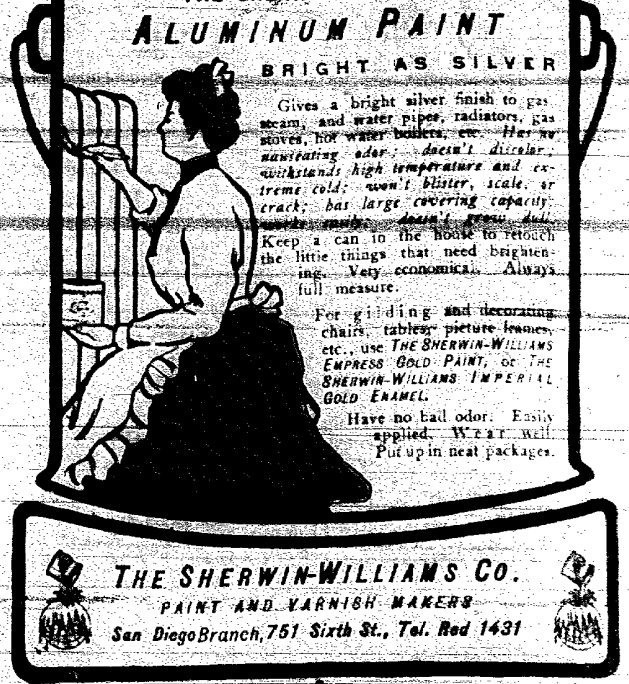
A tabouette was presented to the ... by pupils of the manual training department under instruction of W. ... Barth, and was accepted with thanks. The stand showed the best of workmanship and the excellent training being received from Mr. Barth. It will make a fine addition to the furniture of the education rooms.

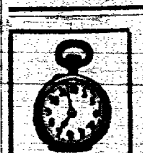
The report of S. W. Adams on the city school census was read, and filed. It is given elsewhere in this morning's issue.

Adjournment was made to Friday evening, when the president will announce the committee appointees. It is expected that some action will also be taken in regard to the communication to come before the ways and means committee of the city council this evening.

FAREWELL TO REV. GREELEY.

A large number of young people of the First Congregational church went to the D street depot and saw Rev. and Mrs. Greeley off on the noon train yesterday. Rev. Greeley, who has so well filled the pulpit of the Congregational church of this city while the same was vacant, has made a number of friends who very much regretted his departure. Before going to their home





ARTISTIC HALL CLOCKS

$18.00, $24.00, $40.00, $160.00, $175.00, $185.00 and up to $350.00 each. If there is one room more than another where elegant and artistic furniture counts its in the hall—where first impressions of a home are formed. Call and see our magnificent display of clocks, both hall and mantel clocks, of the best make; we can supply clocks from any eastern catalog, at that catalog price, and you will have the privilege to see the clock before you buy; illustrations and descriptions are often misleading. Call and let us talk clocks to you.

Bad Teeth

Bad teeth and imperfect mastication cause indigestion and bad health as the foul products of decay enter with the food into the stomach. We never advise extracting if there is a possible chance to save a tooth by filling or crowning. Hundreds of people in this state can testify to the fine results obtained in crown and bridge work under our method.

closed firm at the top level. In fact there was no appreciable reaction at any time during the day, and the advancing tendency gained somewhat in force as the day progressed. The market was still almost wholly professional, and decidedly lacking of animation, but the day's business was considerably greater than on last Friday, which was the lowest thus far for the year. The rise in prices was not due to any specific news development, but was based rather on conviction in the minds of the professional traders.
