Monsanto

FROM (NAME & LOCATION) E. S. Bauer - General Offices

DATE : December 19, 1969

SUBJECT :

REFERENCE :

TO : Mr. H. L. Minckler

cc: Messrs;
J. L. Gillis
T. K. Smith, Jr.
S. D. Daniels

The attached information came to me from Parke Brinkley, President of the National Agricultural Chemicals Assoc.

To the extent that you may wish additional information, you might be able to get it directly from Mr. McLean or possibly through Bob Morris. As you and I have discussed, again we see evidence that virtually all Monsanto divisions are going to be fighting the battle of over-enthusiastic environment monitors.

E. S. Bauer
