They sure are! They rob machinery and equipment of its efficiency, and they jimmy up the works. But when these three mugs—**Dirt, Dust, and Grit**—meet up with a blast from a **CLEMENTS-CADILLAC CLEANING TOOL**, their "lives of grime" are over.

They can't evade the man with a Clements-Cadillac blower-suction cleaner.

Okadee VALVES

for Performance and Low Maintenance Costs

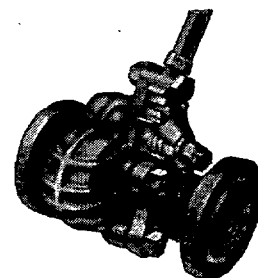

Today more than ever before, valves are chosen for their dependability and low maintenance cost. Okadee Valves, for over thirty-five years, have met this demand in industrial, marine and oil field service. Like sentinels, these reliable valves have stood guard, hour after hour—protecting costly equipment and machinery.
