INDEX

Abrasive wheels, grinders' lung 162

Accident(s)
- cause and prevention 203
- power saws, guillotine shears 204

Aerosol(s)
- mathematical evaluation 152
- photometer, evaluation 155

Air pollutants
- from exhaust gases 195

Air pollution
- control
  - bamboo for gas cleaning 193
  - and biological scientist 192
  - California 196
- distribution from chimneys 178
- gas chromatography studies 190
- literature review 1958 - 1959 188
- research in Europe 189
- trend in visibility 191

Alconolism
- clinical orientation 200
- death by liver cirrhosis 202
- a genus 199
- management of acute 201

Alfalfa mills and air pollution 187

Aluminum alkyl compounds
- safeguards for work with 142

Aluminum tri-ethyl
- safeguards for work with 142

Asbestos varieties, pathogenic action 159

Asthmatic bronchitis
- in iron ore miners 161

Asthmatic factors in miners 127

Atherosclerosis
- treatment with linetole 129

Benzo(a) pyrene
- in air of American cities 180

Biological scientist
- in air pollution control 192

Books
- attorney's fees in workmen's compensation 118
- occupational diseases and industrial medicine 117

Books (continued)
- survey, U. S. Natl.
  - acute conditions, seasonal variations 119
  - interim report on health insurance 120

Boxing gloves for "neurodermatoses" 135

California, standards for air quality 196

Cancer
- bladder, irradiation therapy 167
- skin
  - radiation necrosis 137
  - treatment 138
- in tobacco chewers 130

Cardiac(s) in industry 128

Cataract(s) formation of occupational 126

Ceruminosis and audiometry 163

Chromium, determination in air 143

Dermatitis, dermatosis(es)
- boxing gloves as therapeutic measure 135
- dermabrasion in nevi therapy 136
- dihydroxyacetone 134
- from gold 133

Dihydroxyacetone, as a skin "tan" 134

Dust collector(s), collection
- in alfalfa mills 187
- scrubber efficiency 185

Dust counting, determination
- aerosol photometer 155
- with phase microscopy 156
- with slit ultramicroscope 154

Dust sampling, samplers
- electrostatic precipitator 153

Ear, ceruminosis and audiometry 163

Ethylene oxide sterilizer, efficiency 132

Exhaust gases, automotive engines
- inspection method for emission 197
- source of particulates 195

Filter(s), for gas cleaning 186

Fluoride(s), continuous analysis 140

Gas cleaning
- with bamboo layers 193
- at high temperature 186
