Subject: RE: CAFE Meeting

This will be hosted by NEC, but OIRA and other relevant EOP components are invited and there attendance is expected for the meeting. Can you provide some times on Monday that would work? Monday afternoon looks best for EOP components. We would also like to schedule the meeting for 1.5 hours to make sure that we are able to cover all of the items.

Thank you very much and please let me know if you have any additional questions.

Subject: Re: CAFE Meeting

Aaron: Unfortunately, I'm out of town Friday and so is Jeff Rosen. Would it be possible to schedule the meeting at a time convenient for all early next week? Also, will OIRA be attending or hosting? They have a key role in the process. Thanks! Steve

EPA said that they are available at 3pm on Friday. DOT, can you let me know if that time works for y'all?

Subject: CAFE Meeting

Hello all,

I apologize for the late notice, but NEC would like to convene a meeting preferably Friday morning to discuss CAFE. Could you please let me know if you are available Friday at 10 – 11am or 11 – 12pm? If you are not available at that time, can you please let me know of some times on Monday that would work. As soon as we have a confirmed time, I will send out the scheduler with the WAVES information.

Please let me know if there is anyone that I should work with in your agency to set this up.

Thank you very much for your assistance.

Aaron L. Szabo

Senior Counsel

Council on Environmental Quality
