Subject: The Case for WIFIA, an op-ed

Dear Colleagues,

I thought you might find our recent op-ed of interest. See it here:
<https://www.awwa.org/Portals/0/files/legreg/documents/MehanOpEdWIFIA.pdf>

Thank you for your interest and Happy Water Week! We will be welcoming approximately 145 volunteers to Washington this week for our collaborative events and the AWWA Fly-In. Our top talking points, as agreed to by all the water associations, will be:

*Fully authorized appropriations for WIFIA

*Doubling of the SRFs (recall the President called for tripling the federal contribution)

*Preserving tax-exempt financing

*Raising the volume cap on private activity bonds (PABs)

All the best.

Tracy
