

SHERWIN-WILLIAMS PAINTS

...and it's FRAZEE'S for the finest!

If you're a conny shopper, you can buy a bargain in a man's shirt, a woman's dress, a pair of boy's shoes. But don't expect to be that fortunate when you buy paint. "Bargain counter" paints are poor paints, and therefore no bargain. The ingredients in good paints are too costly to make "cheap" prices possible.

REALLY WANT A TRUE PAINT BARGAIN? Buy Sherwin-

Williams for every painting purpose. Sherwin-Williams paints last far longer, hold their beautiful color endlessly, and you need less paint to get the job done. And remember... whether you bring in a professional painter or do it yourself, time is too costly to waste on inferior paints, because you'll soon have to do the job all over again. Use SHERWIN-WILLIAMS... you can't afford anything less.
