Dear Steve,

Dr. Johnson referred your request to me concerning the report on the asbestos bag test done by NIOSH. I am enclosing a copy of the test results and also a copy of the cover letter sent to the Texas State Health Department by myself requesting their attention to the use of these bags. If you have any additional information concerning the use of these bags, would you please forward it to us.

Sincerely yours,

Richard A. Lemen, Epidemiologist
Biometry Branch
Division of Field Studies
and Clinical Investigations
