Millan—

Great to meet you last week at our meeting between DEPA and Mr. Pruitt at the Capitol Hill Club. As I mentioned, CIPA will be hosting its own call-up of our members May 10-11. We would welcome an opportunity to meet Mr. Pruitt in his office (or any other location convenient to him) to discuss California-specific EPA issues with the Administrator, particularly the Underground Injection Control Program (UIC). We typically have about 20 participants each year, but we can also send a smaller contingent to the meeting if desired. Anytime on Wednesday 5/10 or Thursday 5/11 works for us. Also, if it is more convenient, we are hosting a dinner at the Palm Restaurant Wednesday night at 6:30.

Please let me know if Mr. Pruitt is available to meet. Thanks again for all your help and we look forward to seeing you again next month.

Best,
