During my visits with General Electric chemists for discussion of data relating to PCBs in the Hudson River, I obtained copies of various relevant documents. I have listed the documents below and will send copies of any to those who are interested.

1. PCB-Monitoring in the Upper Hudson River Basin, October 1975, New York State Dept. of Environmental Conservation (NYSDEC).

2. Monitoring of PCBs in Fish Taken from the Hudson River, October 1975, NYSDEC.

3. Testimony of N. Y. State witnesses:

   a. Alan A. Nebeker, Ph.D.
   Aquatic Biologist, EPA, Corvallis, Oregon
   Aquatic Toxicology

   *b. Russell Mt. Pleasant
   NYSDEC, Albany, N. Y.
   Monitoring and Sampling

   c. Dr. Albert C. Kolbye
   FDA, Rockville, Md.
   FDA Tolerance Levels

   *d. Dr. Royal J. Nadeau
   EPA Region II, Edison, N. J.
   Background for EPA Report on Hudson River

   *e. Dr. Richard Spear
   EPA Region II, Edison, N. J.
   Inspection of GE Plants

   f. Dr. David L. Stalling
   Fish-Pesticide Lab, Columbia, Mo.
   PCB Analysis in Tissues (missing attachments)

   *g. Dr. Bernard Dudenbostel
   EPA, Region II, Edison, N. J.
   PCB Analyses for Report

0438736

IN - 10 REV. 1/72

PCB-ARCH0744507

3. Testimony of N. Y. State witnesses (Cont'd):

*h. Walter E. Andrews
EPA, Region II, Edison, N. J.
Sample Collection at GE Plants

i. Dr. James R. Allen
University of Wisconsin, Madison, Wisc.
PCBs and Non-Human Primates

*j. Dr. Brian Bush
N. Y. Dept. of Health, Albany, N. Y.
PCB Analyses

*k. John Spagnolli
NYSDEC, Albany, N. Y.
Monitoring

l. Salvatore Pagano
NYSDEC, Albany, N. Y.
PCB Discharges by GE

m. Dr. Robert K. Ringer
Michigan State University, East Lansing, Michigan
PCBs in Mink

n. Gilman D. Veith, Ph.D.
EPA, NWQL, Duluth, Minn.
PCBs - General and Analysis

o. Dr. Renate Kimbrough
Center for Disease Control, Atlanta, Ga.
Carcinogenicity

*p. John J. Maxstadt
N. Y. State Dept. of Agriculture and Markets, Albany, N. Y.
PCB Analyses

* Items so marked are testimony only for the establishment of expertise and identification of contributions to reports. These items contain little of substance.
