Gentlemen:

Third Extension of January 1, 1972 Agreement

We refer to the Monsanto/General Electric agreement of January 1, 1972, relating to dielectric fluids, capacitors and capacitor evaluations, which agreement has been extended by mutual assent through December 31, 1974.

This letter is to confirm our mutual understanding that the agreement of January 1,1972, shall be extended for an additional period of one (1) year pursuant to Paragraph 2.03 thereof and under the same terms as the January 1, 1972 agreement.

If the foregoing meets with your understanding and approval, please show your acceptance and agreement by executing this letter in duplicate at the place indicated below whereupon this letter, together with the agreement of January 1, 1972, shall constitute the understanding between General Electric and Monsanto with respect to continuation of the agreement through December 31, 1975.

Very truly yours,

GENERAL ELECTRIC COMPANY
