CLAIMANT: WC

D/I: _____

A review of this matter will show that the claimant re-opened his 5-1-84 WC claim on 1-19-86. We are beyond the statute of limitations to file an appeal. Dts not known what the 84 claim has been allowed for. We were expecting the Clt to file a new claim for his exposure problem in January '86. Since he reopened this 84 claim we were taken by surprise.

D contacted Bob Bielek in Legal & he recommended the law firm of:
