Hi Hannah and Nick,

I hope you're doing well. I know you spoke to Matt a little while ago, Hannah, but I figured it might be convenient to connect us all on a thread.

Congressman Suozzi is planning to host a press conference at 11AM on July 25th at Vaughn College. The presser would celebrate Vaughn's entry into the eCTI program and bring further attention to the nation's desperate need for additional air traffic controllers as part of the larger effort to improve and modernize our air traffic control system, a goal I believe is shared by our bosses.

We would love to have Secretary Duffy join us.

Thank you, and looking forward to hearing back,
Julia
