Mr. I. M. Steadman
37 Coldwick Crescent,
LONDON, Ontario.

Dear Mr. Steadman:

Thank you very much for your letter inquiring about the possible ill effects of "INERTEEN" on the skin and lungs of people working with it.

We have forwarded photostat copies of your letter direct to our Medical Department at our Parent Company's Offices in St. Louis.

We presume that the Inerteen you mentioned is Inerteen PPO, as used by the Canadian Westinghouse Company in London. If this is incorrect, we would appreciate your letting us know.

We will forward their comments immediately upon receipt, and if we can be of further service in the meantime, please do not hesitate to let us know.

Yours sincerely,
MONSANTO CANADA LIMITED
