"It looked like a lost soul"

"Weather-beaten, gray, dilapidated boards, warped and sprung, window panes fallen out—what a difference a few years makes when property is left unpainted."

Save the Surface with Sherwin-Williams Paint

It costs just as much to apply a cheap paint as one which lasts twice as long. SWP is a long-lived paint made of pure lead, pure zinc, and pure linseed oil. Its use cuts painting costs in half.

New Spring Wall Papers

These newly arrived stocks are simply beautiful. Tapestries, grass cloths, plain, floral, striped effects, in the season's most delightful colors.

SWP, Sherwin-Williams Paint, defies weather, protects property and saves expensive repair bills. But apply it in time. Let our representative look over your property right away.
