PERSONNEL CONTACTED:

Buck Jarnigan - Compressor Station Engineer (by phone)

OBJECTIVE: Check on Turbinol 1122 trial status.

RESULTS: Buck said that as far as he knew, the change over plan calling for RPC 1122 to be used as the replacement fluid for Turbinol 153 has been approved. The new pump parts required for the change over have been shipped and are expected to be delivered within the next several weeks. Buck indicated once those pump parts are received all other materials required for the change over - including Turbinol 1122 will be ordered.

Neither Woods or Riall were in town to confirm the situation.

FUTURE ACTION: JGF - Call Woods and Riall regarding 1122 week of April 23.
