**Monsanto**

FROM (NAME & LOCATION) N. W. Touchette, St. Louis Research Dept.

DATE : December 18, 1967 cc: J. R. Darby - Res 2

SUBJECT : Trimellitate Literature

REFERENCE :

TO :

A. Vendette
Montreal

A search of our files reveals only one article on The "Alfol 610" trimellitate (from Amoco) and one on trimellitates in general from Pfizer. We understand Morflex 525 is tri "Alfol 810" trimellitate. We also have a screening evaluation of Morflex 525 which is attached.

The gallon of Santicizer 1172 has been received and will be evaluated shortly.

Thanks for your help. We hope the attachments help.

Best wishes for the holidays.

N. W. Touchette
