All prices, terms, and conditions covered in this price list are subject to change without notice. Glidden reserves the right to select its customers and to accept or refuse any order for any reason.

Although the formulations and recommendations contained in this price list have been established through careful evaluation, users of Glidden paints are urged to obtain specific information concerning their painting requirements. Seller's liability shall in no event exceed invoice value of this material, which is warranted only to conform to formula or sample. Seller hereby expressly excludes all other express or implied warranties whatsoever.

Any tax, customs, import or export duties, or any other governmental charge on the production, sale or shipment (or any combination of these several) of the products listed in this price list or upon the materials from which they are produced, and whether imposed by Federal, State, Municipal, or other governmental authorities, and hereafter becoming effective, shall be added to the prices printed herein.

The manufacture, sale and delivery of all products is contingent upon strikes, fires, acts of God, acts of governmental authorities, delays or any other causes beyond our control and we may cancel orders for said products undelivered because of any such causes.

Seller hereby expressly excludes all other express or implied warranties whatsoever.

Any tax, customs, import or export duties, or any other governmental charge on the production, sale or shipment (or any combination of these several) of the products listed in this price list or upon the materials from which they are produced, and whether imposed by Federal, State, Municipal, or other governmental authorities, and hereafter becoming effective, shall be added to the prices printed herein.

The manufacture, sale and delivery of all products is contingent upon strikes, fires, acts of God, acts of governmental authorities, delays or any other causes beyond our control and we may cancel orders for said products undelivered because of any such causes.

SHORTAGES AND CLAIMS

Shortages or errors in packing or invoicing must be reported immediately upon receipt of goods to enable proper checking and adjustment.

All claims for losses and damage en route must be filed by the customer with the carrier.
