Sir:

Due to an oversight, the writer neglected to mail you our check as requested in your letter of 27 January 1954 which was addressed for Mr. Jos. Gillman's attention at his Washington, D. C. address. This check was to cover the cost of subject tests.

We are pleased to send you attached our check No. 60669 in the amount of $300.00 to cover this expense.

Very truly yours,
