Yes, because the travel plans are in flux, the launch event will still be moving forward. We have other senior Agency officials here to participate in the event that the Administrator is traveling. Please feel free to share with your members and we look forward to partnering with you!

Got it. Thanks for getting back to me, and if plans change please let me know. We can be fluid.

If the Administrator is travelling to PR tomorrow, is it ok for us to tell our members about "Smart Sectors" and that RER will be participating? Didn't know if the change in plans meant the launch event is still moving forward.

Thanks, Duane

Duane,

Was just talking with Daisy and was set to reach out. Unfortunately, the Administrator's plans are in flux tomorrow and he may be needed to travel with the President to Puerto Rico now. We are still finalizing. Therefore, we unfortunately can't commit to doing this. I will certainly let you know if that changes, but hopefully we can have him address your group another time!

Good morning, all –

Hope your weekends were great.

We're hoping to finalize our agenda for RER's meeting tomorrow. Do you think it will be possible to let me know if Administrator Pruitt plans to attend our lunch by 4 pm today?

If you need more time to nail it down, that's ok too, and we can react nimbly tomorrow morning.

Don't hesitate to call me if you need more info. My office direct is 202-351-6760, and my cell is
